

REMARKS

The instant Supplemental Amendment is being submitted to correct an inadvertent error (duplication of the term "body") in amended claim 20 as presented in the Supplemental Amendment dated March 27, 2003.

Upon entry of the present proposed Amendment, the claims in the application remain claims 14-16, 19, 20, 27, 30-33 and 36-46, of which claims 14, 19 and 20 are independent and of which claims 14-16, 19 and 36 have been withdrawn from consideration by the Examiner as directed to a non-elected invention.

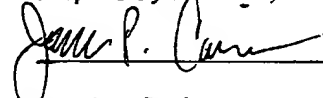

The application is believed to be in condition for allowance, as discussed in the Supplemental Amendment of March 27, 2003, and a notice to this effect is earnestly solicited.

Favorable consideration is again respectfully requested.
